

## **Press Release: Nova Capital Partners “Rebrands” Becoming Nova Capital Global Markets**

**NEW YORK, N.Y.; January 5, 2012**

**Nova Capital Partners, LLC** has undergone a significant transformation over the past year having entered new markets around the world and offering new, innovative products and services such as emerging markets focused **equity research** and **securities trading** to our clients.

Accordingly, we are pleased to formally advise you of an exciting new development; the company has undergone a corporate rebranding to reflect our extended market and product reach and are now known as **Nova Capital Global Markets, LLC**.

As we continue to drive this change throughout the company and into the market, our key priorities will remain the same: dedication to our clients, stakeholders, and professional partnerships.

Operating for over a decade across the worlds emerging economies, **Nova Capital Global Markets, LLC** will continue to serve our clients and partners as the investment bank of choice throughout **Africa, Central and Eastern Europe, and Asia**.
